OIL, GAS & MINING**

Dear David,

This letter is to inform you that we did not begin mining on our two acre exemption (copy enclosed) until April 23, 1987.

Consequently, we will not complete the mining of the two acres during the initial 12 months of the exemption. Therefore, we are requesting a one year extension of the two acre exemption dated June 27, 1986.

We are in the process of completing a permit for a total of five acres and hope to have it in shape to submit to the Dept. within the next couple of months (depending on the timing of the outside contractors during the work on soils, vegetation, reclamation and etc.).

If you have any questions, you can get me at the address shown above or at:
